With due respect I beg permission of your honour to bring the following a few lines unto your honour's Kind Consideration —

I joined the Civil Engineering College @ Poona in Nov 1882 after about a years study in J A class, Completed already a years course — a course of 4 years — in Thro new Depts, and satisfied the Examiners in each of the 2 Examinations held @ the end of each of the 2 Terms (2 Terms make one year), and got a Scholar-sh,

of Rs 5 per month ~~which~~ is only a year
— a year which is soon expiring by the
of the Coming Nov

The Certificates from the Principal for the
above statement will be presented
personally if required

As it is very difficult on my part to
complete the whole course of 4 years at
Other's expense as it has been the case
(because my father being a private Gentleman
can't afford to pay me Rs 20 per month),
I earnestly beg of your honour to get me
a State-Scholarship & thus enable me
to continue the course already partly
completed

For this act of kindness & charity, I shall
ever pray the almighty for your honour's long
life & prosperity

Hoping to be favoured

I beg to remain, Sir,
your honour's most Obedient & humble Servt
